Dear Parents / Carers,

YEAR 5 & 6 Science Museum Trip

We are very excited to tell you that we have arranged a trip to **The Science Museum** for Sycamore and Oak classes on **Thursday 28th November 2019**.

We will be looking at the exhibition on Space travel as well as investigating the Wonder Lab which focuses on practical experiments around forces, which forms part of our Science Learning Journey for this term. We have also booked a workshop which will answer questions such as: What makes rockets fly? Can you ever switch a magnet off? What does 'aerodynamic' mean? And what forces will you find in the Highland Games?

The voluntary contribution for the cost of the workshop will be £7. We will be travelling into London by tube and we ask you to drop your child at Epping Station by 9:25am and collect them from Epping Station at 4pm. We have organised these times so they do not clash with school drop off or pick up of any siblings. If you have any concerns about these arrangements, please do speak to us, we are always happy to help. Further details will be given to you closer to the trip.
Payment for this trip will be due by Friday 15th November 2019.

Please be aware that although contributions are voluntary, if a significant number of contributions are not received then the trip will have to be cancelled.

Please complete the permission slip below and return to school before 15th November 2019.

If you do have any queries or concerns about this trip, then please do not hesitate to speak to us. As ever, we thank you for your support of our Creative Curriculum.

Yours faithfully,

Mrs L. Gardiner, Mrs V. Kendell & Mr. M. Cakebread (Class Teachers)
