

Remembrance Day 8th November 2019

Let's stand
shoulder to
shoulder as
a community
to remember.

On Friday 8th November we will be marking Armistice Day by having an outdoor service at the Cenotaph in Palterton.

The children will walk from the school at 10:30am following a Standard bearer down Back Lane and round to Main Street.

Reverend Judy Henderson-Smith will accompany us and lead a short service outside the mission before introducing the silence at 11am.

At the school we believe it is important for the children to acknowledge this special day.
