Reading Wise Programme for Year 1 children

Dear Parents / Carers,

This term, we are trialling a home phonics programme called 'Reading Wise' for children in Year 1. This programme allows children to practice what they are learning in school at home. The children work through the programme by matching words and sounds which gets more challenging at each stage. Words and sounds will keep being practiced until they are mastered.

This programme is free to use and can be used on computers, laptops, tablets and phones. You will be able to access this programme from home.

We are holding an information meeting on **Monday 4th November at 9am or 2:30pm** to show you how the programme works. These meetings will take place in the school hall.

This programme will be used on a trial basis until December. We will be asking parents for their views on this trial and will use these to help us decide if we should continue using it.

Details of how to access this programme at home will be given to your child after half term.

If you have any questions regarding this, please speak to your child's class teacher.

Yours faithfully,

Jo McWhinney-Tripp
Year 1 and Literacy Lead

Learning at the heart of everything we do
