#### Harvest Festival

We will be celebrating our Harvest Festivals next week at 2pm at Holy Trinity church and would like to welcome you to join us. The Harvest Festival for KS2 will be on Tuesday 22<sup>nd</sup> and KS1 will be on Thursday 24<sup>th</sup> October. Our choir will be singing and some of our children will perform readings. Alongside the church service we are collecting donations on behalf of the Trussell Trust and the foodbank in Wyke, please keep your kind donations of packet foods and toiletries coming into school.

#### Bonfire Disco

The PTFA will be hosting a 'Bonfire Disco' on Friday 8<sup>th</sup> November. We have sent letters home via email and the school jotter to book your child a place. We will not be issuing tickets this year as ParentPay will be open to buy tickets until 12 noon on the day of the disco. We will have a printed guest list ready for the start of each disco and will record when children arrive. Please ensure an adult collects your child promptly after the disco at the main school office entrance. Thank you.

#### Parent Consultation

Please look out for the parent consultation evening letter coming home soon. This will provide you with information and a link to book an appointment to see your child's class teacher. The evening will be on Tuesday 12<sup>th</sup> and Thursday 14<sup>th</sup> November 2019.

#### Ambassador Awards

This morning we celebrated the Ambassador Awards, Friend of the Month and a Sporting Hero from each year group. Congratulations to all the winners and nominees, we are very proud of everyone's achievements. Low Moor Aiming for Excellence!

### **P.E Kit – Y5 & Y6**

Please can we remind children and parents in Y5 & Y6 that they must bring their kit back into school ready for the next session of P.E. The children now have P.E as the last session on Thursdays (Y5) and Fridays (Y6) and are allowed to go home in their kit; this is maximising learning time but we need to ensure the kit comes back into school ready for next time. Thank you for your corporation.

### **S.T.E.M Week**

We are very much looking forward to our last week of the half term by celebrating all things scientific and technical. We will have four days incorporating science, technology, engineering and mathematics into all aspects of the timetable, from exciting experiments to special visitors in school. We will showcase our learning with articles and photos in the newsletter next week.
