Dear parents, pupils, governors, staff and parishioners,

We have had another really busy week. Children have had an absolutely wonderful time using the swimming pool this week. It has been so lovely to see how much some children have grown in confidence. We are looking forward to another busy week of lessons next week.

Sing Out With Joy

This morning Year 6 enjoyed the opportunity to come together with all the other Year 6 pupils from our Catholic Schools across Coventry to 'Sing Out With Joy'. This was an uplifting retreat morning building up to a wonderful reflective service of singing, dance, readings and prayers. Well done Year 6 for your active and reverent participation!

Shoe Box Appeal

A reminder about our 'Shoe Box Appeal.' We are asking if one box per family could be donated to this special cause. Each family will have received a leaflet last week with more detail of what can and can't be included in the boxes. With each box that is completed a donation of £2.50 is asked to be sealed in an envelope and put inside the box. This money is put towards the cost of sending the boxes to Romania. One shoe box would make the absolute world of difference to a child this Christmas who otherwise would not receive any gifts. Can we please request that any boxes are sent into school by Friday 8th November. We thank you for any support you may be able to give.

Parents Meetings

On Wednesday 6th November we will have our first Parent's Meetings. On Monday sign-up sheets will be put up on class doors to sign up for a 10 minute slot between 1.30 and 6pm to discuss your child's learning. Year 6 will have additional slots on Tuesday 5th November between 3.30 and 4.30pm. Next Wednesday there is also an opportunity to pop in from straight after school until 4.30pm to look at the children's books.

School Meals

Payment for meals for next half term will be £78.75. The weekly amount remains at £11.25. Payment is accepted by cash or cheque made payable to Warwickshire County Council. If you usually pay for the whole half term and your child has credits owing from this half term you will be advised by email of the amended figure on Thursday 24th October.

School Menus

Educaterers who provide our school meals will not be changing the menus in November as usual. The menus will continue to roll over each week until the end of the school year.

Please make sure that children are coming to school in coats every day as the weather has certainly changed.

School Closure Procedure

This week you will have noticed that the rain caused some flooding outside the school on the road. It is a good time now to remind of what will happen should the school ever have to close due to flooding or snow! As parents we encourage you to listen to the local radio stations for up to date information. You can also find information at www.warwickshire.gov.uk/education-learning/emergency-school-closures-1. Closures will also be reported on Warwickshire County Council Twitter account: @wccschoolclosed. As soon as a decision was made we would update our school website and Twitter account.
