Dear Parents,

We are lucky to be having a visit from Zoolab this year. They will be bringing animals into school and allowing the children to touch them and learn all kinds of fascinating information. The visit fits in well with our theme of 'Rumble in the Jungle'.

Zoolab are visiting on Tuesday 26th November to cover the cost of the visit, we do need to ask parents for a voluntary contribution of £ 3.20. These days are really popular with the children and give them a brilliant first hand experience so as always your support is much needed and greatly appreciated.

Please could all contributions be made online at www.sims-pay.co.uk.
