Mrs Wilson

After many years involvement with the school we said a sad farewell to Mrs Wilson last week. Mrs Wilson is moving on to explore new opportunities and we would like to wish her well with her new ventures. She will very much be missed by children and staff alike. However, we hope to still see her around.

SCHOOL ADMISSIONS

Applications for a place in Reception next September can be made online through the Kirklees website. The deadline is 15th January 2020. If you do know of anybody looking for a school place, please encourage them to come and have a look round

The deadline for applying for a place at High School for September 2020 is 31st October 2019. This should also be done online via the Kirklees website.

One Way System

Please can we remind everyone to show consideration and care when driving around the village, we know how difficult it is and our first concern is for the safety of our children.

To try and help we do encourage the use of a voluntary one way system—please see the attached map for more details.

Following a report on air pollution a couple of weeks ago by Sheffield University, could we also ask parents to think about switching their engines off whilst waiting to drop off and pick up, or better still consider walking if possible. Please take the time to watch the BBC news report—it makes for interesting viewing:

LOST PROPERTY

We have an abundance of unnamed items of school uniform. As we cannot return these items to their owners, they will be discarded at the end of every week. Please can we stress the importance of naming all items to avoid this waste. If you believe any of the unnamed items could belong to your child, please call in before Friday to collect. Thank you for your cooperation.

MUSIC LESSONS

It is not too late to apply for music lessons for your child with Kirklees Musica. Lessons take place during the school day. Application forms can be found at:

FUNDRAISING

Many thanks to all who bought the yellow pins, organised by our School Government, to mark World Mental Health day. We raised £42.40 for Young Minds. Well done Miss Hemingway and Mrs Hemingway for making all those pins!

Mental Health is high on the agenda of our School Government this year

Special Educational Needs and Disability

If you believe that your child may have a Special Educational Need or Disability our SENDCo is Mrs Barker (Class 2). If you have any concerns about your child in school do please contact her.

THANK YOU
for keeping our school safe!

Voluntary One Way System

The one way system operates between 8.30am-9.15am and 2.45pm –3.30pm.

Please remember this is a voluntary system and members of the public will not always be aware of this unless they have been involved in school. However as the vast majority of traffic at drop off and pick up is related to school, if we all follow this, congestion should be eased

From Moor Lane: turn left down Holmdale Crescent, bearing right on Denham Drive. Follow the hill down Dean Avenue. At the bottom, turn right into Miry Lane and then left into Giles Street.

From Deanbrook Road/Miry Lane: Come up Giles Street.

From Thong Lane: Carry straight through Church Street to Moor Lane or new Road.

From New Road: Either go left down Moor Lane and follow the Holmdale Crescent route (above) or right down Outlane. **DO NOT TURN RIGHT AT THE TOP OF NEW ROAD.**

Using Outlane can be quite tricky due to the narrow streets so it may be better where possible to use Holmdale Crescent as the roads are wider and turning points are easier.
