

Reception Link Letter

Week beginning: 3rd November 2019

Next week our learning will be based on:
People Who Help Us!

We will be learning about **People Who Help Us** and **Emergency Services**. We have a variety of people who are coming in to talk to the children about what they do and how they help our community.

Phonics

Next week we will be learning the sounds **h, b, f, l, ff, ss, ll** and the tricky words **no, go** and **I**. Please can you ensure that you and your child are practicing the sounds in their sound book every day. You can have a go at writing the letter underneath if you wish.

We have been starting to read/write CVC words such as cat, dog, rat etc. You could practising reading/writing some CVC words at home if you wish to help your child.

Maths

This week our learning will be based on counting reliably with numbers to 5, 10 or 20 using a range of skills by recognising, ordering and using simple numbers to add and subtract.

You could use these websites/resources at home to support your child with maths:

- <https://www.topmarks.co.uk>
- <http://primarygamesarena.com/Years/EYFS>
- Number blocks on YouTube

As the weather is getting colder, if your child is bringing in a hat, scarf and gloves to school, please make sure they are clearly labelled.

Don't forget it is half term next week. We return to school on **Monday 3rd November**. We hope you have a lovely half term. We can't wait to hear about it and what you have been doing.

Don't forget if you want to keep up with what we are getting up to you can follow us on @SandyLaneYearR
