Letting the Light of Jesus Shine Through

Worship Reflections

When we see an animal that needs help, we usually want to help it. It is always important to consider our own safety and if it is the right thing to do.

Lord God,

Who made the earth and every living creature. Help us to show compassion to all the animals entrusted to our care, so that they may not suffer in any way. Grant that in caring for them, we may find a deeper understanding of Your love for creation.

Amen.
