

# Chestnut Newsletter

November 2019

Welcome back after the half term break. I hope you all had a well-deserved rest and ready to work hard up to the Christmas activities that will soon arrive in December!

## Science - Forces. Topic - The Victorians.

Currently, we are well into our topics of forces and the Victorians. The children will be carrying out many scientific investigations within forces. The children will continue to learn about who the Victorians were and what they accomplished. We will be looking at their way of life and will be comparing them to our lives now in 2019. This will also include a comparison of the changing use of Burrs and Bury town centre buildings.

## School Uniform

We are really proud of the smartness of the children's uniforms. Please make sure that your child wears **black, grey or white** socks or tights and that they are wearing black shoes.

## Reading

Please read with your child at least 3 times per week. We will continue to ensure that daily reading lessons take place in school. Please encourage your child to read their book and discuss the events within the text.

## P.E. Kits

P.E lessons will be indoor on Mondays and outdoor on **Wednesdays** so a full P.E kit will be required. Indoor kits must be a white T shirt and black shorts. Outdoor kits should appropriate to the weather to include navy or black tracksuits.

## Homework

The third homework will be given out on Wed 30th October and will be expected in, to a good standard on Wed 13<sup>th</sup> November. The fourth homework will be given out on Wed 20th November and returned on Wed 4th December.

If you wish to speak to us on any matters regarding your child, please feel free to approach us either informally or more formally by arranging an appointment to see us.

Thank you for your continued support.

Mr Moran, Mrs Gaddes, Mrs Corbishley and Mrs Leader
