

Please tell us about anything which you like and value about our school

The fact that Coxhoe school feels like a family environment.

The school has helped build **** confidence from his first day up until his last day.

High school musical production, Year 6 water fight, residential also using the secondary school was a great experience for the children. After school clubs: knitting!

Kind, friendly and understanding staff.

The staff are all very approachable and communication is good. I feel well informed about my child's progress and the expectations that the school has for her. I think the traffic light system for pupil behaviour works very well.

We think that a huge strength is the school's teachers.

The ethos of co-operation and friendship is wonderful and the pupils are so well behaved in and out of the school. The praise and encouragement they are given is very positive and seems to lead to super personal achievements.

Very helpful and friendly.

Excellent teaching & support this year.

I like and value that all children are treated equally and with respect.

Great ethos and values that match our own.

The 'secret' awards ceremonies are a great idea. Fantastic that those doing well in English are rewarded, as has been happening with Maths/Mathletics.

The welcoming atmosphere and friendly staff who are always happy to discuss any concerns parents have.

The school environment is always happy, friendly and welcoming. Children always seem to be smiling and enjoying their time in school.

I value that the school makes my child happy and safe so that she enjoys going to school.

The teaching. Encouraging children to work hard, value placed on each child, encouraging parents to be involved.

Absolutely everything! I'm proud to say that my daughter attends Coxhoe Primary.

Fantastic staff!

Children are disciplined in general. Teaching standards, children are encouraged to do their best, each child is valued, parents are involved all the way.

Support from staff and approachable staff.

The school prepare and reward pupils very well in the lead up to SATS and afterwards. **** really enjoyed the in-school treats and also the Easter booster classes and treats.

Miss Dunkley does a fantastic job organising clubs and breakfast club.

I value the meet and greet from the Head Teacher and teaching team every day in the schoolyard. I think it starts the school day well. I like to see the children walk in to school and interact with the team - this shows they are genuinely interested and even the quiet children give a quick smile.

I value and am impressed with how you have dealt with SATS. In SATs week, the earlier start and 'meet and greet' at the school gate and encouraging words were brilliant. The offer of breakfast beforehand and creating an easy environment for children to get ready for their test sessions. Well done Coxhoe Primary School!

I value the encouragement my child receives to be creative. You allow development of children in all areas. Thank you for that.

Thank you for an excellent Year 2 for our girl.

It is good that there is a buddy system for any child who is playing on their own.

Friendly and approachable staff, lots of opportunities for trips and activities outside of school.

Love the friendliness of everyone - a real team feel. Good values.

I like the school and how friendly the children and staff are.

Everything!

Friendly and approachable.
All.
It's a good school, which keeps everyone informed. Fantastic teachers & TAs. Well organised. Well behaved children - great use of traffic light system etc.
I like that there is a lot of play-based learning in Reception. The school environment is very welcoming.
Fantastic teachers.
I love the creative approach my child has with his learning. His writing has become strong because he sees a reason to do it.
***** has enjoyed all of the opportunities offered to him, sports-wise, as well as extra trips and Maths booster sessions.
It's a fantastic school with really caring staff and a lovely fantastic atmosphere. The amazing results are just a bonus!
Absolutely thrilled by ***** final report – we could not have asked for a better primary education for her! In particular, we feel she has thrived this past year in ***** class - he definitely pushed her to succeed!
Very approachable staff. Quick to respond to any concerns.
Staff really care about the children and have created a warm and nurturing environment in which little people can thrive and grow.
Staff are very approachable and try to help whenever possible.
Friendly environment and feeling safe. Fab mixture of learning and play.
We appreciate how welcoming the staff are and feel part of a wider family - the school has such a positive approach. Above all, the school is a fun and happy environment.
Very very good school nothing to change.
The school has developed and nurtured the whole child working, not just with the curriculum, but caring about the full child showing that every child no matter how unique matters.
I like how our ***** is always excited to go to school and that is down to how welcoming the teachers are and how interesting they make learning.
Children being greeted each day on the yard.
Children being made to feel they belong to a school family.
Rewards assembly and Sports Day.
They have enjoyed the introduction of dojos.
Art days - both children love them!
TAs are a strength
It's easy to talk to a teacher. It's friendly and kind. Challenging work, which I find great, and children have great experience at new things. Approachable, friendly staff. Good ideas for motivation.
I like that the school has high expectations for pupil's behaviour and advocate kindness to all children.
I like the wide variety of activities the children have during their class from 'Welly Wednesday' to 'Number Jobs'.
We like how the Reception Class is integrated within the whole school and is in no way segregated from the higher age group.
Good community spirit, good school facilities and very supportive.
Really value that teachers involve parents in decisions.
The wide range of activities the children can access.
I like how the children are always encouraged to learn to do the best with their differing abilities and the help they receive to achieve goals and targets is superb!
It's a family and children feel valued personally. Great atmosphere.
Fantastic teaching staff, ***** has been fantastic and ***** has loved being in her class. ***** is brilliant: a great asset to the school.

Home work club on a morning has been a great help.
Great amount of outside school learning opportunities. Lots of opportunities to compete in sporting events and school trips.
I always feel able to speak to staff and they are always helpful and friendly. **** is a fantastic teacher who has inspired **** with his brilliant lessons.
How you push the pupils to learn more. Also the understanding of parents problems and teachers help when needed.
Inclusive, engaging curriculum and developed opportunities for all children. Passionate and caring staff.
No problems whatsoever **** is incredibly happy.
Great school that is always very approachable. Our son loves coming to school and looks forward to every Monday.
We especially love the interaction between the older children and the younger children - it's lovely to see and makes it feel like a family environment.
Friendly, approachable environment with the children's well-being at the centre.
I feel the children are looked after extremely well. The school always try and get the children to reach their full potential.
Staff are friendly and approachable. Lots of interaction with the children.
Very good teachers and really helpful. My son has learnt a lot of things this year.
The school sets a good example to the children. It's very up to date and is very approachable if any issues arise they are dealt with immediately. They offer a lot of activities in and out of school hours for the children.
The school chemistry and genuine love for the children
This year in particular it seems that more opportunities i.e. sports challenge, trips etc out of school have been much more varied. High School Musical and the trip to The Sage were amazing!
