

Term 2, Week 1 - 29th October to 1st November

Welcome back to a lovely week of weather - just perfect for a local league football tournament. Please do continue to look out for invitations to sporting events this term and encourage your children to take part if they are invited. If they can't take part in the event then please let us know as soon as possible so we can offer the place to another child. Thank you.

Our Key Stage 1 children have been learning about the Plague this week by constructing - and dissecting - plague sores made from doughnuts, custard and jam.....one of the grossest activities ever witnessed in this school - and certainly one of the most memorable - move over Dr Pimple Popper, MDCP are here!
