Dear Ms. Axton,

Thank you very much for your letter dated 24th October 2019 and kind donation of £48.91. It is heart-warming to hear about Sharon and Desiree's fundraising activities as part of their school Citizenship Project – passionate and conscientious young people like them are just what this world needs!

I am aware that St Edmund's is registered on our Eco-Schools programme with your last recorded activity taking place in 2009. I would be delighted to provide you with some further information on how the school can get more involved in the programme, and seize the fantastic opportunities it provides students with.

If this sounds of interest, please visit <https://www.eco-schools.org.uk/> or contact my assistant at rupali.naharwilliams@keepbritaintidy.org.

With best wishes and kind regards,

Allison Ogden-Newton
Chief Executive
