

# Autumn 2 - Beech

*That was a loooong first half term! And yet, now we're suddenly looking at seven short weeks until Christmas! We've got a busy 7 weeks ahead with a jam packed curriculum (full details overleaf). Not only will we be venturing into a brand new topic, 'The Wreck of the Zanzibar', but we'll also be getting ready for Christmas. Most of Christmas activities will be taking place in the last week; however there will be the odd festivity to sneak in throughout the term.*

*As always, if you have any queries or concerns over this next half term – please do come in to see me. After school is best (if it is possible) as I will have more time to sit and listen to any concerns.*

*Mrs Searle*
