

# St Stephen's Catholic Primary School and Nursery, a Voluntary Academy

## School Development and Improvement Plan (SDIP)

2019-2020

### **Priority 1 Catholic Life, Religious Education and Collective Worship within the School**

To continue to develop the Catholic Life and raised standard in RE and Collective Worship within the school in line with the recommendations of the last S48 inspection (Oct 2018).

### **Priority 2- Quality of Teaching**

That attainment and progress of all year groups increases significantly by Summer 2020.

### **Priority 3- Behaviour and Welfare**

That behaviour systems are secure and that exclusions are minimal.

That most of the children have strong independent learning skills across the school.

That overall attendance is at least 97% and that Persistent absence has been significantly reduced to below national figures (8.7% 2018).

### **Priority 4- Personal Development**

That children across the school recognise the virtues in themselves and in others (at an age appropriate level) on a daily basis.

### **Priority 5- Leadership and Management**

That the SLT and middle leaders can **all** accurately evaluate the strengths and areas for development within the current SDPs and accountability across all levels of staff is understood, embraced and embedded.

That governors continue to hold the leaders to account effectively and provide strategic direction for the school as a whole.

### **Priority 6- The Quality of Early Years Education**

That the teaching and learning across the Foundation Stage unit is strong and leads to good outcomes for all of the children.
