

Families in Partnership Questionnaire – October 2019

What you told us

We asked	You told us
How well do we share with you what your child is learning at school?	92% of you thought Very Good or Good, with 82% thinking Very Good.
What is the quality of the guidance you receive from school about how to support your child's learning and development?	92% of you thought Very Good or Good, with 65% thinking Very Good
How good is our website?	98% of you thought Very Good or Good, with 65% thinking Very Good.

You also told us some of the things you think school does well:

“Really impressed with the hard work the teachers are doing with the children”.

“Very well informed, superb feedback”

“My child is making lovely progress”.

Things we could improve

Where two or more families had similar questions or suggestions we have responded below.

You told us...	Our response
The website could also include each year group's topics that they will cover.	You can find these under CURRICULUM – Curriculum Maps, listed by year group. You will also find your child's class Newsletter on their class page which gives more detailed information each half-term.
Two families mentioned missing the Newsletter, or preferring it to the Blog.	It was taking a member of staff a long time each Friday to type up the Newsletter and most of the information on the Newsletter was already available on our Blog. Please use the Categories on the right hand side to navigate to the things you are most interested in. The News Blog contains an overview of the week and has key dates for you.
That you would like more specific information about what your child will need to achieve each year.	We will send home, and add to our website, a booklet with the end of year expectations for reading, writing and mathematics for each year group.

If you have any further comments or questions please either pass these on to your child's teacher or use our Comments Box in the main entrance.
