Tilly's Diary

I have really enjoyed my time back at school after half term. On Monday 28th October, lots of people came to our school. I was super excited because another school dog came to play with me! She is a 5 and a half month old Cavapoo and also called Tilly! Tilly goes to school at Chacewater School and is owned by the Headteacher there. We had so much fun racing around the quad. The grown-ups wanted to take a photo of us together but we were running so fast they couldn't catch us being still!

*I loved playing with Tilly and hope we meet again soon!
It's great to make new friends – why don't you make a new friend this week? Maybe you could chat with someone you don't usually chat to or play a game with someone from a different class?
Love Tilly x*

Wear Yellow for World Mental Health Day

On the wear yellow day, we raised the grand amount of £118.12 to give to Young Minds. Thank you to all who took part and donated.

Prickles and Paws

As you will know from our last newsletter, we have found quite a few hedgehogs on the school grounds. They have been poorly so have had to have extra care. They were taken to the charity Prickles and Paws where they joined a further 67 hedgehogs!

To help the charity, we are collecting crisp packets for them. The packets will be recycled and so the charity will gain money from them. There will be designated crisp packet collectors in the playground during play sessions with black bags – **please give only crisp packets to them.**

Prickles and Paws would love food and items donated to them so they can take care of the hedgehogs. They mostly need cat food in jelly (no fish based cat food please) and rolls of heavy duty black bin bags. There is a collection box in the foyer of the office for items if you would like to donate. The food and black bag collection will be delivered in a couple of weeks. We will aim to do this once a half term.

Hopefully our school hedgehogs will be well enough soon to be released back on to the school grounds.

Poppies

Poppies, slap bands, button holes and poppy key rings will be going around the school for sale on Thursday and Friday. Each item will be £1.

Please note the poppies will not be available from the office – the Year 6 children will bring them to the classrooms on Thursday 6th November and Friday 7th November.

Thank you.

Year 6 Information

Remembrance Day: Please could all children who are attending the Remembrance Day parade and service on Sunday make sure they are wearing full school uniform and a clearly visible poppy.

Macbeth: On Wednesday 13th November, parents and carers of Year 6 children are invited to watch their mini performance of Macbeth in the hall. This will start at 3.15pm. Please make your way to the hall via the office.

Aldi Stickers

We did it! With support from children, parents, carers, staff and the village, we managed to fill our Aldi poster with 300 stickers!

The poster has been sent to Aldi where we are now in the draw for £20,000 or a new sports kit.

Thank you to everyone who made a special trip to Aldi just for the stickers and to the people who made their shopping to £30, £60 or £90 to get an extra sticker for us! Well done everyone!

Head Lice

Unfortunately it is the season for head lice. Please check your child's hair regularly for head lice.

We ask that all children should have their hair fixed up whilst at school to help stop the spread of head lice.

For more information on how to treat head lice please visit:

<https://www.nhs.uk/conditions/head-lice-and-nits/>

Children off School

If your child is going to be away from school for whatever reason, please telephone the school by 8.15am to let us know where your child is. Thank you.

01726 890323

Dodgeball

As per the text you will have received, there is no Dodgeball club tomorrow after school.

Thank you.

Parent Pay

From Friday 8th November we will be accepting payments online for such items as Dinner Money, Breakfast Clubs and School Trips.

Your child's individual activation code will be sent home tonight. Log on to www.parentpay.com (or download the app from Google Play or the Apple Store). Use your sent home activation code and password (you can update these once you are registered) and you should be set up.

Parent Pay is easy to use and will offer you the freedom to make online payments whenever you can.

For further information visit www.parentpay.com/parents/.

Breakfast Club

If your child requires a breakfast club session – please could the session be pre-booked. As we are very busy during breakfast clubs, a space may not always be available for your child/children. Breakfast is served until 8.30am – so if your child requires food, please arrive before this time.

Thank you.

Maths Targets

Maths targets for all pupils have been updated in the back of their homework books / reading records. Any target highlighted in orange has been achieved and the target circled for the term 'AU2' is their current target. Pupils can practise their current target times tables using the links on our website, under the 'Maths' page (<https://www.roche.cornwall.sch.uk/curriculum/maths>). Thank you for your continued support!

Cubs and Beavers

Congratulations to the Roche School children who attend The Clays Scout Group (Cubs and Beavers). They all received their ties and badges at their investure evenings during the week.

If your son or daughter is interested in joining The Clays Scout Group there is a Facebook page of the same name. Pop them a message and they will get back to you with further details including subs payment, days and times.

PLEASE MAKE SURE YOUR CHILD
HAS THEIR PE KIT IN SCHOOL
EVERY DAY! THANK YOU!
