

**Meet The Team!**

**Hummingbird**

**Mrs Roter**

**Miss Marshall**

**Mrs Poskitt**

**Goldfinch**

**Mrs Molloy**

**Mr Bickerton**

**Woodpecker**

**Mrs Kaur**

**Phase Leader**

**Mrs Roter**

**Maths**

This half term we will be learning about statistics, and how we can use them. We will also be looking at number work, which will include division and multiplication. Finally, this half-term, we will be focussing on measurement - perimeter and area.

**English**

We will be focussing on newspaper reports this half term and how non-chronological texts are set out. We will be looking at developing children's understanding of more complex sentence construction and increasing their use of vocabulary through reading a variety of texts.

**Topic**

This half term we will be continuing our learning about the Mayan Civilization. We will be learning about the Mayan Codex and using this to write our own Mayan narrative. We will also be looking at fair trade and using our skills to design products for Mayan tourists!

**Science**

Our topic this half term is all about forces and how we can measure them. The children will focus on how gravity works, whether the shape of an object changes when placed in liquid and how friction is created between two surfaces.

**Key Dates**

**Ballet workshops-14th**

**November**

**Cinderella Ballet at Grand**

**Theatre -19th December**

**School closes-20th Dec**

**School opens- 6th Jan**

**PE Days**

**Tuesday and Thursday**
