We are planning to do a promotional video for the school to use at our Open days and on the website and Facebook pages. **We are looking for any parent or grandparent** who would be willing to be filmed giving their thoughts on why prospective parents should chose this school for their child in P1 in September 2020. If you would be willing, eager and confident to help us, can you let the office know and we can arrange to have a chat and a time for the filming to take place. Your voice matters so please consider helping us out!!

Next week is Anti Bullying Week: keep conversation open with your child about the effects of bullying and how it can make them feel. Ensure you are aware of the apps they are using; do you know who they communicate with? The content they are posting or seeing? Have you got access to their passwords?

ANTI-BULLYING TIPS

LEARN ABOUT BULLYING!

All kids play rough or tease each other sometimes, but bullying is intended to hurt the person and often happens more than once.

WALK AWAY!

A bully wants to get a reaction from you by saying or doing hurtful things. Show them that you can be strong and walk away from a bad situation!

BE CONFIDENT!

Stand up against a bully with confidence! Don't let their bullying affect you, because they're just trying to hurt you.

TELL AN ADULT!

It is very important to tell an adult or someone you trust if you or a friend is being bullied. They can help you figure out what to do.

DON'T BULLY OTHERS!

Sometimes, we can say or do things that hurt people. If this happens, try apologizing and make it right with the other person!

TALK WITH YOUR FRIENDS!

Your friends can be a great support system! If you or a friend is being bullied, talk with them about how you're feeling.

BE AN ALLY!

Stand up for someone that you see being bullied and tell an adult about the problem.

BE CYBER SMART!

Bullying doesn't have to happen in person. Sometimes bullies will say hurtful things on the Internet. It's important to also learn about cyberbullying!

VALUE YOURSELF!

Bullying can make you feel bad, but remember you are great just the way you are!

BE INVOLVED!

Join the fight against bullying at your school and help be a part of the solution!
