This Week at Stockingford

Dear parents,

Welcome back to the second half of the Autumn term. It has been wonderful to welcome the children back to school and already they are hard at work. Year 2 children have been busy investigating 'crime scenes' around the school whilst hunting for the Big Bad Wolf; and Year 4 children performed confidently and creatively in their class assembly on the theme of Ancient Egypt to a packed hall of children and parents. Truly a super start.

I'm happy to share that we have Arbury Hall back in action, which means there may be changes to children's day for indoor PE. Class teachers will let you know if your child's class is affected.

Children in Need

Next Friday is Children in Need day and to help raise money for this worthy cause, we will be inviting children (and staff) to 'Wear something Weird!' and bring along a donation. Children could come to school with clothes on back to front, in their pyjamas or in a fancy dress costume - let your imagination run wild and we'll have a great day of silliness!

No smoking please!

On Tuesday morning, whilst outside welcoming everyone into school, Carly in Year 6 came to see me saying that she hates walking through the school gates because she normally has to walk through a cloud of cigarette smoke. I invited her to write something for our newsletter this week:

"I think that adults should not be smoking inside the school premises or just outside either. Because of this, I have to hold my breath whilst walking past them. In my opinion, it is bad for children's health, especially younger children. From Carly". Thank you Carly for sharing this important request so clearly! I wonder if you'll be a journalist when you're older?!

Online Safety Information: Parent and Carer Online Toolkit (Childnet)

Childnet have updated their parent and carer toolkit that will help parents have conversations about online safety. Their booklet 'Let's Talk about Life Online' includes ten key messages that should be shared with children:

The Parent and Carer Toolkit can be found here:

<https://www.childnet.com/parents-and-carers/parent-and-carer-toolkit>

1. "You can always come to me if you need help."
2. "What would you do if this happened...?"
3. "Remember that not everyone is who they say they are online."
4. "Keep your personal information safe, and other people's too."
5. "Be respectful to others online."
6. "Think before you post."
7. "Remember to ask if it's okay."
8. "Remember not everything is true online."
9. "The things other people post online might not always show what their life is really like."
10. "Recognise how going online makes you feel and take a break when you need to."

Regards Mrs Bowser

The School Calendar

Upcoming Events!

Date	Event
11th-13th November	Manor Adventure Year 6 children
