Performance 6pm
Tuesday 17th - School Nativity
Performance 2pm & 6pm
Friday 20th - Christmas Service
at Leake Church 1pm

Friday 20th- School breaks up -
2pm

Our learning this week

Willow Class have had a super week! We have been really interested in fireworks and bonfires this week. The children have created their own bonfire and firework displays, they even set out a safety zone for the children watching after we discussed why keeping safe at these events is important. Willow Class have also really enjoyed making potions and explored capacity through this.

In Maths, we are learning about the 'fourness of four'. The children have explored 4 sided shapes and created their own using different resources. They have also looked at one more/one less using pipe cleaner kites and beads.

In phonics, we have learnt new sounds e, u and r. The children drew 'u' on umbrellas and decorated an elephant with 'e'!

Homework

It is getting much colder outside now. Do you think all animals like cold? Which animals might hibernate in winter?

Have a lovely weekend! 😊

Reminders

- Books should now be up on bug club for the children to access.
- Please can all children bring in spare clothes, including socks and underwear, if they do not already have any in school.
- If you have any unwanted dry flowers that you would normally throw away, we would love to have them for our mud kitchen.
