

The Den Newsletter 08/11/2019

This week at The Den we have enjoyed so many art activities.

We have a new set of felt tip pens that have been put to great use in all our Den sketch books. We have also enjoyed practicing water colour skills and making patterns with chinks.

On Wednesday we had Skip2Bfit in to do a skipping workshop with the school, this must have inspired the children as The Den soon transformed itself into a skip-off!

On Thursday it was another successful pizza making night which are always very popular.

The dark nights mean that we will now be going outside at 3:30 then playing inside after tea to hide from the dark and the cold.

Coming up at The Den:

- 3rd December - Christmas Crafts
- 12th December - Christmas Pantomime! Book now!

Reminders

- Please pay any outstanding payments on Parent Pay. We would be grateful if payments are made either on a weekly or monthly basis.
