at Leake Church 1pm

Friday 20th- School breaks up -
2pm

Our Learning this week

English - This half term our new Learning Mission is “Tracing Our Past” so we are concentrating on looking right back to the Pre-historic times when the dinosaurs walking the plant! This week we have been collecting lots of information about dinosaurs which we will use in our writing.

Maths - In Maths this week we have been concentrating on subtraction. Year 1 have been concentrating on using the subtraction symbol in their calculations and the effect zero has in calculations. Also the Year 2s have been working out some subtraction calculations within 20. Everyone has been working really hard on the first week back so keep up the hard work!

Learning Missions - This week we have explored what happened to Pangea and how it became the seven continents and oceans. We have also been writing our own dinosaur riddles, discovering dinosaur bones in the sand pit and answering greater depth questions about dinosaurs.

Homework

Our handwriting is really improving so keep up the hard work!

In the next couple of weeks we will be looking at how houses have changed throughout time. Please could the children bring in a picture of their house (from the outside) or email it in to Mrs Atkinson at admin@knaytonacademy.org and we can print it for you.

Thank you!

Reminders

PE is on Tuesday and Wednesday. As the weather is turning colder, please ensure your child has appropriate kit to wear outside, including long trousers, trainers and a jacket or jumper. In addition please can we also ensure that wellies are in school as the field is very muddy walking up to Forest School.

We are focusing on Times Tables Rock Stars and Bug Club this half term and we will be issuing out usernames and passwords for children to access at home. The usernames and passwords will be stuck in the back of Reading Diaries so please could you make sure they are in school every day so that children can use them in lessons too.

The Friends reading raffle takes place in celebration assembly. For your child to be entered they must be reading at home (with this recorded in reading diaries) 4 times per week (Friday to Friday).
