November

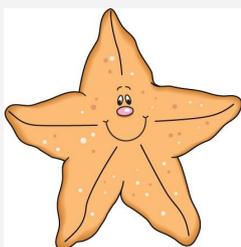

Half Term Week

Monday 4th
October

School open for
children

Anti-Bullying Week

Week commencing 11th
November.

Starfish Class

21st - 25th October

What happened in school this week?

This week our topic is,

'Why Do Leaves Go Crispy?'

This week we have learnt all about Harvest festival and why we celebrate it. We have looked at the types of food that are linked to harvest festival and we have used our senses to explore them. The children have taken part in a range of activities linked to Harvest festival. The children have also learnt a song called 'The Owl' which they performed to the rest of the school at our Harvest festival assembly. Thank you for all your kind donations for Harvest the food will be donated to Sutton Baptist Foodbank.

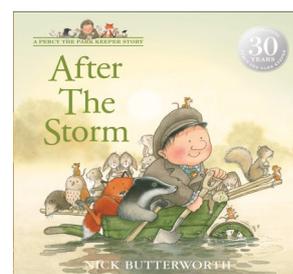

This week we have also celebrated Diwali the festival of light. The children have discussed who celebrates Diwali and why. We have looked at how people prepare for Diwali and what they do when they celebrate. The children have made diya lamps, rangoli patterns, light decorations and mendi hands. The children really enjoyed engaging in all the colourful activities.

Next Week— We carry on with topic,

'Why Do Leaves go Crispy?'

When we come back to school we will carry on looking at poems and rhyming words. We will also be reading the story 'Percy the Park Keeper After the Storm.' This story will help us to look at different animals that hibernated and how they prepare for it. We will also be looking at the changes in the environment through the seasons.

Home learning task

As we are talking about rhyming words in songs, poems and books could you please do the same at home to support this area of learning and development.

Number

The children's number skills are really developing! When you are at home or out and about keep looking for numbers and counting different objects. Number rhymes also help the children to learn their numbers.

Bug Club

We are very sorry about the bug club still not working. We will let you know as soon as it is sorted. Please keep reading their library books with in the mean time and sharing stories at home.
