

### Anti-Bullying Week

Week commencing 11th November

**Reading books:** Your child will bring home a reading book appropriate to their reading level and one library book each week.

We ask that you sign the reading record, when you read with your child at home.

If your child wishes to change their book before their allocated day they can speak to the class teacher to facilitate this.

*We are passionate about developing a love of reading in all children.*

### Bug Club

Bug Club is an exciting way for your child to read a wide range of books at home.

Your child should have their username and password at home now. If you cannot find it, please speak to your class teacher.

Have fun exploring this great resource.

# Year One

25th October 2019

## What happened in school this week?

### Our Learning Project this half term was: "What's in an Enchanted Woodland?"

We have thoroughly enjoyed our topic of 'What's in an Enchanted Woodland?' The children have been on woodland walks through our magical garden spotting fairy houses and magical creatures, they have used their imaginations to create their own 'terrible creature' and identified a range of common plants. We have read many books with a woodland setting and have 'loved learning' about Andy Goldsworthy and creating our own Goldsworthy inspired art work.

### Our learning in school this week.

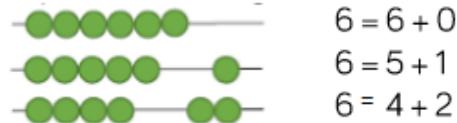

In English we started the week by going on an Autumn walk and using our senses to describe what we could see, hear and feel. We created mind maps of our ideas and up-levelled our adjectives by using word mats and a thesaurus. We ended the week by writing an Autumn inspired list poem.

In Maths we have focused on finding number facts within 10. The children have used objects, bar models and ten frames to help them write addition number sentences and solve problems.

We also enjoyed learning all about Diwali and the Festival of Lights this week and how this festival is celebrated.

### Homework

Complete the next beads strings in the sequence.

Have you found all of the number bonds?

Can you write a list poem? You can choose what to write about - autumn, food, toys, your half term, just make sure you use exciting adjectives!

Please can you double check over the half term that all jumpers, cardigans, PE kit and pumps are clearly named. Also please check your child hasn't accidentally brought home any items of clothing that does not belong to them. Thank you.

We hope you have a relaxing and happy half term.
