

## Dear Parents and Carers,

As we begin our new half term we welcome in our new topic, which is all about the changes around us

Our new learning challenge question is...

### 'What is changing outside?'

Please find below an outline of our weekly challenges.

**Week 1 – What can we celebrate in autumn?**

**Week 2 – What colours can I see?**

**Week 3 – Why do the leaves fall off some trees?**

**Week 4 – What happens to the outdoor creatures in autumn?**

**Week 5 – What is the Christmas Story?**

**Week 6 – What happens at Christmas time?**

**Week 7 – Reflection – What do we know about the changes outside?**

This half term has lots going on!

This week we will be having a firework display together with the nursery children. We will be learning how to stay safe on Bonfire night.

We will be finding out about why we celebrate Bonfire night and the gunpowder plot.

Your children will soon be busy preparing for our Christmas Nativity they will be acting and learning lots of new songs. More information will follow!

In Reception we encourage the children to take responsibility for their own belongings, this includes looking after their jumpers and cardigans. Children are asked to put their clothing items in their tray in the classroom if they choose not to wear them. The children do obviously forget this sometimes and it would really help if their names could be written into their clothing so that any found items can be returned to its rightful owner – many thanks.

We are looking forward to lots of exciting learning this term as well as our planned trip to Conkers! You will shortly receive a letter and permission slip, please be sure to return the slip to ensure that your child comes along with us and has an amazing experience.

If you have any questions or queries please do not hesitate to contact us or speak to us at the end of the school day.

Thank you for your continued support.

Mrs. M. Dickinson, Ms D. Liversage, Mrs. D. Bromfield,  
Mrs. J. Grocock and Mrs. N Akthar.
