Dear Parents and Carers

At Higham St. John's C E Primary School, we are committed to engaging with parents and carers and have taken a number of steps forward in terms of the way we communicate with the wider community. With this in mind, this year we are conducting a series of surveys in order to gather the views of parents and carers. Links to our first two surveys via Survey Monkey can be found below. The surveys only take about 5 minutes to complete and will really help us to build of picture of parental views. Thank you in advance for taking the time to complete them.

**NB: To support the accuracy of our survey, please only submit one entry per parent.  
Also, this survey is to be completed by parents / carers only.**
