Introduction to School Directors Mr Ray Dobie

I became a Governor when nominated from the Parish Council (1981) as their representative on the Governing Body. I am now one of the School Directors. My two sons have both been pupils at the school. I have special interest in the use of ICT across the curriculum having been employed by the LEA in the fields of computing, electronics and pneumatics. I also help foster community links, starting in 1990 with running computer classes for adults from beginners to qualification level. I help our parents fundraising committee (KABS) with some of their events. Having an interest in local history, three of my tomes (History of the School; Derwent Pickering, poet; and Broughton WW1) have helped bring funding into the school.

It is always a fantastic evening. Come along to get yourself a Christmas bargain! Some of the confirmed stalls include:

On **Thursday 12th December**, all children from **Year 1 upwards** will attend the annual pantomime at the **Sands Centre, Carlisle**. This year it will be based on Snow White and the Seven Dwarfs. Tickets will cost **£11 per child** and can now be **paid for online** using our online payment system. Transport costs will be funded by school. More details will follow closer to the time of the event. Children from **Nursery** will attend the **'Jazz Penguin' at Theatre by the Lake on Tuesday 10th December**. The trip for **Reception** children is to be confirmed.

Don't forget that it is **Children in Need on Friday 15th November**. Children are welcome to **pay £1 to come into school in anything spotty or Pudsey related**.

We seem to be missing a number of **golden sweatshirts** in school at the moment. Please can you ensure that all sweatshirts are returned washed and ironed by the following Tuesday at the latest, so that they can be handed out to the next set of children in Celebration Assembly on a Thursday morning. Many thanks for your support in this.

Class 3 assembly will take place on **Thursday 14th November at 9.10am**. Due to the theme of the assembly, we will be very restricted with seating in the hall. Mrs Lightfoot has therefore requested that there is a performance for parents first in the hall, and then the children will perform for other pupils in school afterwards.

There will be a short performance in the school hall at 3.10pm in which parents of children from **Class 5 and 6** are welcome to attend, to see what your child has been learning in the Konflux theatre workshop. This performance should last no longer than 15 minutes.

If you haven't already done so, please could **as many parents as possible access the 'Ofsted Parent View' website (there is a link on our school website)** to help keep us informed of your views and celebrate our successes. Help us to celebrate our wonderful school! Currently, **we only have feedback from 4 parents**. Please note that it is possible for both mums and dads to give feedback separately to boost the number of responses.
