11 November 2019

Dear Parents/Carers,

As part of our Space Topic, we are very excited to announce that we have booked a portable planetarium for the Year 5 children on Monday 25th November 2019. The planetarium dome will be constructed in the hall before the children arrive so that they benefit from a full morning of immersive space learning. Children will encounter a very realistic feeling of looking into the night sky and 'go on a journey through space.

In order for the Planetarium visit to go ahead, we would kindly like to ask for a voluntary contribution of **£4.50 per child**. This really is an invaluable experience, and one the children will not forget! This is less than half the cost of a school trip to the STAR centre, so offers excellent value for money.

Contributions **need to be in no later than Wednesday 21st November** 2019. To make your contribution please use your **parent pay account**, which also then gives your permission for your child to take part.

If we do not receive enough funds, we will have no option but to cancel the planetarium visit. Thank you for your continued support.

Kind Regards,

Miss Kenney and Mr Fawcett
