

CODE CLUB

Dear Parent/Carers,

We're really pleased to offer a new and exciting after school club for KS2 (Y3-Y6). Code club will be on Tuesdays from 3.45-4.45pm in our ICT room and will run from Tuesday 7<sup>th</sup> January with the last session on Tuesday 11<sup>th</sup> February. Places are offered on a first come first served basis for up to 16 children.

**What is Code Club?**

Code Club is a nationwide network of after-school coding clubs for children. You can find out more at [codeclub.org](http://codeclub.org)

**How does it work?**

Code Club provide step-by-step activity sheets for children to follow so that they can create games, animations, and websites, learning the key concepts of coding at the same time.

**What do the children learn?**

Code Club have resources to teach children Scratch, HTML/CSS, and Python. Learning to code is more than just a vocational skill: it changes the way children analyse and solve problems, and encourages creative thinking and collaboration.

If your child would like to sign up for Code Club please return the consent form below to the school. If you give permission for your child to walk home alone after the club please sign the consent slip below. If you are collecting you child at 4.45pm please wait at the Derbyshire Lane entrance and the club organiser will bring children to the gate.

---
