November 2018

Dear Parents/Carers

**Year 5/6 Christmas Production 2019**

Preparation for this our Year 5/6 Christmas production is well underway! The children will be presenting **“How Christmas Came to Be”** – a musical play for Christmas.

The date and times of the performances are as follows:

**Tuesday 10 December at 2.00 pm;**

**Wednesday 11 December at 2.00 pm and**

**Friday 13 December at 2.00 pm.**

Tickets will cost £3.00 each (inc. refreshments)

In response to recent feedback from parents and carers, we have decided to organise the KS2 Christmas Production differently this year. Instead of involving all of the children in KS2 we are going to give the responsibility to Year 5 and Year 6. This does not, however, mean that Years 3 and 4 will lose out completely as they will get the opportunity to put on a production of their own later in the school year.

By reducing the number of year groups involved from four to two, this will mean that there will be fewer children in the hall during the production and therefore more space for the audience. With a larger number of tickets in total and a smaller number of children involved we should be able to offer more tickets to each family and therefore (hopefully) no one will miss out.

For this reason we will not be filming the production this year as in theory everyone who wants to, can watch the performance live (which is much better than any recording ever could be).

This year you will be able to order a maximum of 6 tickets per family. As is usually the case some families will require more than this and some will require fewer. Therefore we ask that families complete their orders by **Friday 29th November 2019**. After this date any remaining tickets will become available for you to apply for on a first come first served basis.

Please note therefore, that if you do not place your initial order on ParentPay before the Friday 29th November deadline then you may miss out on tickets altogether.

Thank you for your support.

Yours sincerely
