Weekly Newsletter– 15th November (Week 10)

## Children In Need

Another great year of fundraising at New Road for such an important charity. Well done to all the staff and children who joined in the morning workout with Joe Wicks and well done to our winning 'Class Bakers.' Thank you as always for all your support with the events we hold in school,

## Out and about this week .....

What a busy week we have had with both our Year 4 and Year 5 children out on school trips. Our Year 5 children visited Halifax Minster to continue their learning on Anne Frank. The guide was particularly impressed with the questions that were asked and also on how much knowledge the children shared with her about what they had already learnt in school. Well Done Year 5.

Our Year 4 children visited the cinema this week to watch "The Kid Who Would Be King" which is linked to their literacy topic on quest stories. All the children had a great time and were extremely well behaved throughout. Well Done to Year 4.

## Back to School Week

I just wanted to say a huge thank you to all the parents who joined us in school this week. We wanted you to get an understanding of how we deliver the literacy curriculum at New Road and observe how well your children work in school. I think it was a real eye opener to some parents who were blown away with what the children can do even in our younger classes. The children absolutely loved sharing their learning with you so we will be doing more 'Back to School' week's so more of you can get involved.
