Extended Leave during Term Time:

Bradford Council and the Social Work Service have changed the information which we are required to collect when children are taken out of school for holidays/family visits to other countries during term time. In addition to the information normally collected, we are now required to obtain the address of where the pupil will be staying whilst they are abroad. The Extended Leave form which **MUST** be filled in before you leave the country has been updated to include this information.

School Photographer:

Our school photographer was in yesterday taking both individual and sibling photos. The children should have come home with their unique photo ID on. If you go onto the website stated and fill in the Photo ID and Photo Key, then you should be able to see your children's photos. To view any sibling photos then you need to use the youngest child's unique logon details. You are also able to purchase the photographs online should you wish too. Thank you.
