Friday 15th November 2019

Dear parents, pupils, governors, staff and parishioners,

We have had another really busy week. On Monday we recognised Armistice Day and in Class Liturgies this week that was a prayer focus. On Tuesday we had an Odd Socks day to show our support for Anti Bullying week and that we are all unique and different and this is something to be celebrated. We have now ended the week with support for Children in Need. Children have loved wearing their pyjamas to school. We thank you for your donations to the charity.

Flooding

Unfortunately yesterday we had to make a quick decision to close the school again due to the road outside flooding. Can I pass on my thanks first of all for the quick nature that people helped to pass the message on and collect children from school. There was a real sense of community spirit as people were concerned not just for their own children but for others and their safety. When the decision is made to close the school the WCC website is notified straight away. Unfortunately it is then out of our control how long it takes to get uploaded to the closures website and how long it takes for their text message service to kick in. I have passed on my concerns again to the Council as there is a delay at present in this happening. Due to this also we are looking at how as a school we can improve our system of sending a text message out en mass. Can I also reassure that our Parish Councillor has taken our concerns again to WCC and has reiterated for us that something needs to be done and we need better flood protection to stop this happening in the future.

The staff at Our Lady's would like to pass on particular thanks to Mr Chris Bartup. His help yesterday was so greatly appreciated both with helping spread the word, get children to their cars safely and then helping the staff leave as the water was so high at that point. We really do appreciate everything you did to help us. 😊

Shoe Box Appeal

Thank you for all of the boxes that were donated. Mrs Kerrighan has collected them and they will now start their journey to make a child's Christmas more special.

Music Lessons

We have agreed two dates with Mr Roe to make up the two lessons he missed this term. They are Thursday 21st November and Thursday 5th December. He is not scheduled to be in next Wednesday due to Y3/4 Egyptian workshop so the next music lesson will be on 21st November.

Christmas Dinner

The school Christmas dinner will take place on Wednesday 18th December. This will be available automatically to all Infant children and we are opening it up to all Junior children. A letter has been sent home today with Junior children asking for your preferences. Please return the slips by Monday 25th November.

Message from a neighbour

It has come to our attention from one of our neighbours, that some parents are utilising private driveways to turn their car around on at drop off and collection. The resident has advised that a CCTV camera is in operation and asked if parents could please stop using his property for this purpose.
