Dear Parents/Carers

Thank you for your support with the Children In Need. The children loved to come in dressed in spots helping make it a spectacular day! Thank you for your donations.

Now that the weather is growing colder, please ensure that your child has a NAMED scarf, hat and gloves.

Thank you for your continued support.

Prime Areas

The children have been learning all about what it takes to be a Superhero and what good qualities they have. We talk about the children being Superheroes and all of the good qualities that they possess.

In PE, the children have been practising ball skills. They have practised throwing and catching a bean bag and then progressed onto throwing and catching a ball.

In Communication and Language, the children have been thinking about birthdays and talking about their own experiences.

In literacy, the children are learning all about Superheroes. We have been reading the book Superworm. We compared the qualities of a normal worm with Superworm and what makes him different. In phonics, the children are learning Phase 2 sounds. We recapped sounds learnt so far:

s, a, t, p, i, n, m, d, g, o, c, k, u, r, h, f, ff, l, ll,

s, ss and we are writing cvc words eg pin, dog, cat. We teach the child high frequency words each week. The words this week are: *I, no, go, the, and.*

Please ensure that your children's reading record book is in their book bag every day as we need to record when your child has read in class.

In maths the children have been learning about one less. They have used objects to count one less and beginning to write subtraction sentences. We have encouraged them to use the language more and less when talking about groups of objects.
