Well done to you all.

Calderdale Family Learning

Thank you to so many of you for returning your activities form. We have had a wonderful response to all the activities but in particular the Elf on a swing and The Clock workshops.

We use an Excel spreadsheet to list all adult names, children's names and then mark in preference what has been selected. Using Excel, allows us to generate at random the names of adults successful for any session so this is how we have selected parents for these two activities. With so many parents selecting these as their first choice a lot are not going to get a chance to take part.

We have contacted Family Learning to see if we could have extra days but they are so busy that it's not possible. With all the other choices full we can only apologise to those of you who are not selected this time round.

Careers Week

Thank you for all your offers to come in during Careers Week to discuss your jobs. We have 33 sessions booked in already throughout the week. If you still would like to come in for 30 mins or an hour to talk about your job to a class it is not too late to put yourself forward. Please just contact the school office.
