

## Starlings Class Newsletter 22<sup>nd</sup> November 2019

### What have we learned this week?

We had some very exciting visitors this week – The Police! We learned so much about how they help people and how they are safe strangers. We loved trying on parts of their uniform and we even got to go in the police car to sound the siren. It was so loud!

During playing and learning time, the children have loved making shows. I supported them with creating a stage, making tickets and provided some music. It was great to see them apply their phonic knowledge of pitch and volume. How lovely it is to see them expressing themselves and exploring movement with such confidence! What a great week!

### Photos of the week!

### School Dates

**Friday 29<sup>th</sup> Nov:** Parents invited to celebration Assembly & reports to parents

### Stars of the Week

Love - Sophia

Kindness - Daniel

Well done!

### Home Learning Challenge

What sounds can you hear around your house?

### Reminders

- New Starters - We would love some family photos to put up on our family tree! Please email them to [admin@keeblegatewayacademy.org](mailto:admin@keeblegatewayacademy.org)

- Please send in reading journals everyday so we can add what stories we share in class. Thank you!
