Stone Age Workshop – Year 3

Dear Parents/Carers,

As part of our Year 3 history topic this term, we are learning about the Stone Age. As part of our studies a workshop will be visiting on Friday 29th November.

The cost of the workshop will be £5.00 per child.

It is an interactive workshop where the children will learn all about what life was like in the Stone Age. They will find out how Stone Age people found their food, where they lived and they may even get the chance to dress up like an actual caveman! The different Year 3 classes will attend the workshop at different times. Otherwise it is an ordinary school day and you should pick up your child at the normal time of 3.15pm.

Please log onto your child’s parent pay account to make your payment of £5.00

Kind Regards,

Miss Ferreira  Miss James  Mr Mooney
