Local Area Trip

Dear Parents/Carers,

As part of our Year 1 Geography topic this year, we are learning about our local area. Year 1 will be walking to West Acton Tube Station on Thursday 10th October.

We will be walking from West Acton Primary to West Acton tube station and will be looking at our local area on the way. We will be going class by class. The classes will leave school between 13:00pm and 14:00pm. Each class will take 30 minutes to complete the walk.

Children need to bring a suitable coat for our walk.

Any children who do not return their permission slips will not be able to go on the trip.

Thank you for your help.

Kind Regards,

Year 1 Team
