## **Bikes and Scooters**

Please ensure that bikes and scooters are not ridden on the school site. It is neither safe nor practical to do so.

Please also ensure that all bikes and scooters are locked- we cannot guarantee security in the bike shed.

## **Staffing**

I am delighted to inform you that Miss Andrews has produced a baby boy; Freddie George! Both are doing well and hope to visit school soon.

Mrs Speight has submitted her resignation, and will not be returning to the school.

## **School Clubs**

We run a wide range of before and after school clubs for pupils. Many of these are sports based, but others are offered through the year. We are changing the pricing structure- they will be £1.00 per session from January 1<sup>st</sup>. I'm sure you agree this still represents great value for money- much less than childcare costs!

## **Attendance Treat**

The members of staff who accompanied the children to the cinema last week were very complimentary about our children, who were said to have behaved impeccably. It's a joy to take our children out of school- we are so proud of them wherever we go! Keep coming to school every day; there will be another attendance reward soon.....

**We teach at the beach and make the most of our coast.**
