Introduction to School Directors Dr Caroline Bateman

I'm a GP who moved to the village several years ago. I'm invested in the village and am a member of the local church. I'm also a university teacher. I'm very proud to be associated with Broughton Primary School and look forward to supporting them further.

Thank you for the kind donations of edible treats sent in for this year's **Christmas Fayre**. We have lots of bags handed in already! Donations for our hamper raffle prizes are most welcome: Class 1 and 2 (gold items), Class 3 and 4 (silver items) and Class 5 and 6 (red items)

A reminder that our first open evening session in school will be held in classes **from Year 1 upwards** on **Wednesday 27th November (3.30-5.30pm)**. The work which children in Nursery and Reception produce can be accessed as always using our online Tapestry system. The open evening will be an opportunity to visit your child's classroom and talk to your child about their work. There will be a range of work books laid out on tables to look at. The school will be open until 5.30pm and so you are welcome to come and go as you please until this time. Class teachers **may not be present** to talk to at the open evening event but formal appointments can be made through Class Dojo should you need to chat.

Unfortunately, the KABS Christmas Shopping event is now cancelled due to lack of ticket sales.

It is the last week for **clubs** this week however, Mrs Turpin's Cookery and Craft Club will continue to run for another week due to a delay in starting.
