## Internet Safety

As you all know, we have many strategies in place within our schools to ensure that our children are safeguarded whilst working online. You can read more about this in our ICT Policy which is available on the Keys Federation website – [www.thekeysfederation.org.uk](http://www.thekeysfederation.org.uk).

However, we are being increasingly asked to offer support for issues that have arisen through children accessing social media and networking sites on private devices. When going online at home, we would encourage all children to use the same principles that we practice within school. To support parents and carers, we would recommend the following website which gives advice on a range of topics including the age restrictions for individual websites, setting up parental controls and cyberbullying.

## TODDLER Group

Calling all our parents, carers and grandparents ...

Our toddler group is every Tuesday straight after school drop off in the school hall.

Great weekly activities and a special time for your toddler to meet new friends.

Please try to join them for a great time!

### School Attendance

Our attendance is currently below our whole school target of 97%. We look forward to improving this. Well done to Year 4 with the highest attendance for last week.

What's on in the community ...

## Parent Pay the way to pay
