

### Christmas Fair

A plea has been received from Mrs Zolley, PTA Chair, for volunteers to help on stalls at the Christmas Fair, to be held after school on Friday December 6<sup>th</sup>.

(All profits will go to school funds).

If you have any spare time on the day, or prior to the event, and would like to become more involved, please contact Mrs Zolley on 07557394665.

We are also asking for cakes (to be delivered on the morning of the fair) so if you would like to contribute we would be extremely grateful! Thankyou for all donations that have been received for the Christmas hampers. We are still collecting and would gratefully request that any items are dropped off at the school office.

### Milk container plea.

Any unwanted, clean, plastic milk cartons should be dropped off at the school office!

Thanks in advance!

### Film Night at St Peter's..

Forget Frozen 2 at the top of festive wish lists, *Arthur Christmas* was the film that everyone was keen to see in school on Thursday evening. A big *thank you* to the lovely PTA

members who stayed behind after school and supervised the children.

### Quest for answers..

Children from St Peter's became caught up in solving clues, as presenters from the BBC Radio Essex Quest programme drove into town on Sunday morning. School governor, Dave Heather, met with the radio crew at the Heddingham's Scout Hut, where he informed them about Santa's upcoming visit, (raising money for the scouts and the school). Pupils were able to discover more about radio presenting.

### KS2 SATs Meeting

Thankyou to all the parents/carers who attended the Year 6 SATs Presentation Evening. For those who were unable to attend, a power point presentation and revision booklets can be obtained from Mr Hancock.

### Attendance winners!

Well done to Year 2 who won the Attendance Cup with 96%. For the last two weeks, attendance figures have been poor as many classes have been hit with colds and tummy upsets. Please remember that we will administer medication for children who are feeling a little 'under the weather'.

*Anti - bullying presentations at St Peter's*  
Co-ordinated by the school's anti-bullying ambassadors, children from across the school presented their thoughts and ideas on bullying.

### Reminder..

Next Monday, Dec 2<sup>nd</sup>, 5pm-6pm, members of the school choir, staff and parents will be singing carols outside the Coop in Sible Heddingham, prior to the switch-on of the Christmas tree lights by *Saffy*, in Year 6, who won the school's Christmas jumper decoration competition.

Everyone welcome!

### Early morning care..

We currently have spaces in Breakfast Club (open every morning from 7:30 a.m). If you need to drop off at school early, you have the confidence of knowing your child is in safe hands. As long as your child is registered (packs available from the office), he/she can be dropped off in the morning (without prior booking). Daily charge is £3.10 to include breakfast and fun activities. Children are taken into class for 8.45am.

### Footwear Notice..

In bad weather, when children wear wellies/boots to school, children need to bring in a change of footwear. Also, children should be wearing warm waterproof coats.
