Transition and First Half Term in Reception

As a school, we value and welcome feedback from parents and carers in order to improve our provision and make transitional times as easy for all of the family as possible. We therefore hope you will be able to spare a few minutes to answer the following questions about how you found your child's transition and first half term experience in Reception. We are really grateful for all the feedback we received and are able to refine the transition process by the feedback we receive each year. **Please complete and return by Friday 1st November.**
