Dear Parent/Carers,

### **Parking**

At Lakeside we pride ourselves on the links we have with our local community and particularly, the relationship we have with residents close to the school. Due to the different events that will be taking place in school on the run up to Christmas and the deterioration in weather, I am sure there will be more people wishing to drive and park near school. Can I please ask that you park your vehicles responsibly to ensure residents can access and leave their properties without any problems. This way the links between school and community can remain strong.

I thank you in advance for your continued support and co-operation in this matter.

Yours Sincerely,

Mr N. Probert  
(Headteacher)
