

This Week at Stockingford

Dear parents,

Information on Claiming Free School Meals

Warwickshire County Council is committed to supporting families to use the online services available on their website. Applying for Free School Meals is now **only** done through using the Parent Portal. This is the link parents will need to use: www.warwickshire.gov.uk/freeschoolmeals. The customer service centre number is 01926 359189.

I am assured by the Council that this method of application is quick, easy and allows parents to utilise their existing account set up initially to apply for a school place. Over 95% of Warwickshire parents apply for a school place through the online facility - which was the reason it was decided to incorporate other services. Portal services currently include:

- 2 year nursery funding
- School places, ie starting school, changing school and moving onto secondary school
- Registration for the 11+ selection test

Apply for free schools meals

If you would like to apply for free school meals or would like to see if you are eligible, school will be happy to help you. This important benefit supports children's health but your application also supports our school more widely. Did you know that for every registered child, our school will receive additional funds - currently £1320 each year! This money is specifically targeted in school to provide extra services like support staff and subsidies for trips and experiences to bring our curriculum to life.

Parking around school

Parents should not park in the school driveway by the Grove Road entrance. It is dangerous and there have already been a few 'near misses'! This drive is also our access point for emergency services. We would be very grateful if families who need to drop off and collect children in cars, do so without endangering pedestrians.

Thank you

Mrs Bowser

Other News at Stockingford Academy

Stockingford Academy have been awarded the Silver Award in the Green Tree Awards. This is a school award scheme from the Woodland Trust.

This has been achieved by the activities carried out both this year and last year by the children in Forest School club- so a huge well done to them. We are now working towards the Gold Award.

Reminder:

Next week will be the last after school club sessions for this term!

A huge well done to this week's Merit winners:
