Teaching and learning interventions		
Enhanced staffing ratios to ensure better support for disadvantaged pupils	Support staffing costs as detailed below	<p>Pupils continue to make good progress across the school. School tracking shows pupils making good and outstanding progress. As a result of the extra support we have in each classroom, pupils are well supported and cohorts often reach levels of attainment that are well above the levels that are reached nationally.</p> <p>Analyse School Performance and Inspection Data Summary Report 2019 highlighted a group of disadvantaged pupils in KS1 with complex needs. Continued intervention support was in place for these pupils during 2018/2019. The proportion of pupils that met the expected standard (including disadvantaged) at EYFS Good Level of Development and in Y1 and Y2 phonics in 2019 was well above national. In 2019, performance at KS1 Expected and GDS was high well above National and LA in reading, writing and maths) for all pupils. The performance of KS1 disadvantaged pupils in 2019 was above national in Reading, Mathematics and Science. Whilst below in writing, this was not statistically significant due to the small number of pupils in the data set. The performance of disadvantaged pupils in the Y1 phonics check in 2019 was above national. Similarly; performance of disadvantaged pupils for ‘Good Level of Development’ at EYFS was above National.</p> <p>The historic trend of performance for disadvantaged has been better than national. Internal tracking shows disadvantaged pupils make good progress in line with their individual abilities across the school.</p>
