Y6 Booster lessons

Dear Parents / Carers,

In preparation for the SATs in May, we would like to arrange extra maths and reading booster lessons for the children after Christmas.

The lessons will last for 45mins and will take place before school, starting at 8.15am. They will cover the areas in maths and reading, where there are gaps in learning.

The groups will be taught by Mrs Nuttall, Mrs Rushworth or Mrs Marshall.

If you would like your child to attend a booster group, please indicate below, along with your preference for the subject and preferred day.

Thank you for your support.

Mrs A Nuttall
Deputy Head Teacher

I would like my child, _____ to attend a maths / reading* booster session.

My preferred day would be Tuesday / Wednesday / Thursday.*

*Please indicate your preference.
