This Week at Stockingford

Dear parents,

What an exciting week of adventures at Stockingford! Year 6 braved the wind and rain on their residential trip - they had an incredible time although some of the children (and staff) are still thawing out! Years 1 and 2 took a trip back in time at St John's Museum, learning about schooling in Victorian times; and Cleopatra herself visited Years 3 and 4! All of this before an array of weird and wonderful outfits for our Children in Need fundraiser!

Also, this week the leadership team began work on an exciting project to develop a clear vision for our School moving forward. There are exciting times ahead for us and I look forward to sharing more about this with you all soon.

General Election

I am delighted to say that although the school will be used as a polling station on December 12th, we are still able to remain open. Please be reassured that the school site will be secure and your children will be safe. I hope that helps working families with their childcare arrangements.

Safe movement around the site

I received a call this week from a parent concerned about her children's safety whilst moving around the site, particularly on the narrower paths. She reported that they had been bumped with bags and scooters. Can I politely suggest that we all use these paths as we would a road and keep to the left hand side? Thank you for your help and support with this.

Cheerio Mrs Tanner

I am sad to say that Mrs Tanner will be leaving the school after Christmas. She lives quite a long way from our school and the travelling distance with young children is difficult. Mrs Tanner has secured a new position much closer to her home and although she will be missed at Stockingford, I am sure you will join with me in thanking her for her contribution to the school and wishing her the very best of luck! Information will follow on how we intend to cover her teaching commitment.

Have a lovely weekend,

Mrs G Bowser
