Dear Parents/Carers

One of our students has been diagnosed with Hypogammaglobulinemia, this is an immune deficiency. This puts them at risk if they are exposed to *any* illnesses. If your child has been exposed to anyone with measles, mumps (or any other illnesses) or if your child is ill, we would ask you to consider the health and well-being of this student. In cases of sickness please adhere to the 48 hour absence rule. The health of this child does depend on the co-operation of all parents and carers. Thank you for your support.

Staffing News

Mrs Johnson will be leaving us in the New Year following promotion to larger school. We are all very grateful to the service she has given the school over the last 6 years and wish her well in her new job. The governors are recruiting a new business manager and we will let you know in due course who the successful candidate is.

Festive Dress Up Day

The PTA are holding a festive dress up day on the last day of term. Please donate £1 and the most festively dressed pupil in each class will win a prize! Many thanks to the PTA for paying for this year's Pantomime and books.

Carols around the tree

St Swithuns are holding this event on Saturday 21st December at 10am. Please join them.

Raffle Prize

Raffle ticket numbers to be claimed – 926 and 861.

Extreme Reading Challenge

Thank you to everyone who took part in our extreme reading challenge. Below are our winners (and some of the staff taking part too).

Encouraging reading for pleasure

We have a number of planned events throughout the year to encourage reading for enjoyment. Including the readathon, World Book Day, extreme reading and Nottingham Forest challenges. We would like to start a new initiative. A book donation scheme through which children, parents, staff, governors and other members of the local community can donate £5 towards the cost of a new reading book. The money will be regularly shared out between the classes and new books for class library areas will be purchased; the donors' names are then proudly displayed on the inside of the front cover of the book they helped to fund. Please contact the school office if you would like to be involved.

League table for levels of attendance for each year group

This week's prize goes to class 2

Reading Reward

The children who have read 3 times a week for at least 10 weeks will have their reward on Friday. They will watch Toy Story 4 and have popcorn. Well done to everyone who achieved this. It's a challenge and commitment, it does have a significant impact on their progress and enjoyment of reading.

Menu Change – 6th January 2020
